Module 2

With TTouch Instructor Marie Miller

£270.00

(Includes VAT @ 20%)

9.00am – 5.00pm each day

If you would like to book a place on the Companion Animal Practitioner Training Clinic, Module 2 please return the second page of this form to the office and transfer your deposit.

This 3 day clinic will cover TTouch bodywork and ground work, use of body wraps, and further observations. This clinic is open to anyone who would like to further their knowledge of TTouch techniques and tips and has already attended a TTouch workshop or clinic. It will also count as half a clinic for anyone wishing to train and qualify as a TTouch Practitioner for Companion Animals and is a follow on from Module 1. You must have attended a TTouch Practitioner Training Clinic or Module to attend this event.

Please note that deposits are **NON-REFUNDABLE** and **NON-TRANSFERABLE**.

If you need to cancel your place due to circumstances beyond your control, we will endeavor to fill your place provided we have people on the waiting list that can take your place. We are repeatedly asked to refund or transfer bookings but this is no longer possible as we make a financial commitment when we organise the clinics. It is unfair to everyone if we refund/transfer one booking but not another, and we ask for your understanding on this matter. If you are in any doubt as to whether you can attend the clinic, please do not book a place until you are confident that you can attend.

We no longer accept cheques but you can pay by card over the telephone.
